

WELL DRILLING in the Reising subdivision not far from the Beach Grove road was well underway early this week when the photographer stopped by to see what progress was being made. The bit was down to about 145 feet at this point with some signs of water seen in samples. This well will supply 25 or 30 homes in the subdivision through water mains installed earlier. E. H. Cain to Seek Re-Election, Seekatz Quits School Post

Resignation of one present Antioch-Lake Villa high school board member and announcement of the candidacy for re-election of another member were highlights of news coming from this week's board meeting held Wednesday night.

A. W. Seekatz of the Petite Lake road submitted his resignation effective March 1 and action on this move was expected at this week's meeting. He had announced some weeks ago that he would be resigning.

However, this week's letter was the first formal notice to the board. Seekatz, a builder of homes, has been in Florida and was not expected to attend this week's high school board session.

Millburn Cain, a member of the present board, took out nomination papers late last week for a place on the school ballot.

Three positions will be up for grabs at the April 9 balloting, one for a two-year term (Seekatz) and two for three-year terms. The school board terms of chairman Robert Denman of Millburn and of Cain of Antioch end in April this year.

Wednesday, Feb. 24, is the first day for filing nomination papers for places on the high school board of education.

Previously, Denman, Mrs. Mary Chase of Channel Lake and Lars Steffenberg of Antioch had taken out papers.

Final day for filing will be March 19 and candidates will have until March 22 in which to withdraw their names.

April 4 will be the last day for applying by mail for an absentee ballot and the last day to apply in person will be April 6.

Same Valentine 'Swapped' Annually Over 22-Year Period by 2 Friends

Mrs. Kenneth Young of Millburn has been exchanging the same valentine with her girlfriend, Mrs. Ralph Hurlbutt, of Minneapolis, Minn., for the past twenty-one years. Mrs. Young's mailing this week marks the 22nd year.

It all started very simply in 1939, when the girls were neighbors in Chicago.

Mrs. Hurlbutt lived with an older sister, whose baby died a short time before Valentine's day.

When Laura (Mrs. Young) went to visit Marian on Valentine's Day (Mrs. Hurlbutt), Marion said: "I'm sorry, Laura, but with all this trouble, I forgot to send a Valentine to you. I'll just make one for you right now."

So the homemade valentine was given to Laura, who put it away with things she was keeping. It was just a simple, crayoned piece of

paper, but it had sentimental value. By 1940, both girls were married, and Marian had moved away from Chicago. Near Valentine's day that year, Laura came across this treasure, and thought it would be interesting to send it back to Marian.

That started it, and it has been going back and forth since then.

When the Youngs moved to Millburn, the mailman took a great interest in this exchange.

It is always sent Special Delivery, to be sure it does not get lost, and he gets out of his car and delivers it personally when Laura is receiving it.

Marian and Laura have not seen each other since they moved away from Chicago, but of course have exchanged pictures of their families. Laura has three children and Marian has two.

Salary Schedule Talk Scheduled At Board Meet

The salary schedule of Antioch-Lake Villa high school teachers was expected to be revised upward at a meeting of the high school board of trustees scheduled this week Wednesday evening.

There was some question at noon Wednesday whether the board would meet Wednesday night due to the snow storm.

Last year's salary rates started with \$4,400 for first year instructors having B.A. degrees and \$4,600 for those with M.A. degrees.

Under the revised schedule, the starting rate would be \$4,600 for B.A. and \$4,800 for M.A.

The rate would go up to a maximum of \$7,100 may be paid for B.A. teachers at the end of 16 "steps" and \$7,400 for M.A. under the same number of "steps".

However, it would be possible for M.A. instructors to go as high as \$7,800 after 18 steps.

These steps would not be automatic but would be made at the discretion of the high school board in each individual case.

Maximum salaries now for B.A. is \$6,300 and for M.A. it is \$6,700.

The schedule was worked out by a teacher-board committee consisting of Roger Prossie as chairman, Bill Brook, John Gudgel, Dr. Richard Ripley, Kenneth Smouse and Mrs. Fern Tate.

Board president Robert Denman and school principal Albert Dittman were ex-officio members.

Other business scheduled this week Wednesday evening included the 1960-61 curriculum proposal worked out by department chairmen and special teachers.

Bids on buses, a washing machine and a vacuum cleaner were to be discussed as was a board policy of spectator buses for sports events.

Music Showboat To Be Presented On Feb. 17-18

The Antioch Township high school Music Association will present its annual "Musical Showboat" on Wednesday and Thursday, Feb. 17 and 18, at 8:15 p.m. in the high school auditorium.

Many of the performers are favorites from the two earlier shows. However, many new faces will be seen in the brand-new 1960 production.

Among the acts repeating from former shows will be the dancing of Yvonne, the singing of Lila Palinski and the comedy of Jim Corrigan and Jack Fields.

Other entertainers who have appeared in former productions are Joe Rush, Bill Brooks and Dr. James Kopriwa.

SOME OF the personalities new to the "Musical Showboat" will be the young songstress Joan Cervenka and the inimitable musicianship of her sister Carol Cervenka, and Mabel Lou Dow.

New faces for '60 will also include the Hank Kubicki combo, "The Rhythm Kings".

Along with new personalities, the entire show has undergone a face-lifting. The Minstrel show format has been set aside in favor of a straight variety show presentation. It definitely will be "bigger and better than ever".

The final scene of the show promises to be one of the greatest examples of musical art to grace the stage of Antioch high school.

ANOTHER HIGHLIGHT of the show will be a preview of the upcoming presentation of the Broadway hit "Finian's Rainbow".

Penny Anderson and Charles Bruhn will be featured in one of the songs from the popular musical comedy, "Something Sort of Grand-ish".

Tickets are now on sale, and can be purchased from any member of the high school choir or band or from their parents.

Tickets for each performance will be available at the door.

The entire production is under the direction of Ken Smouse of the high school staff.

Storm Slows 'News'

This week's edition of the Antioch News will be minus some news and ads planned for it due to the snowstorm which hit the area Tuesday night and Wednesday morning, major press run day for the local weekly newspaper.

Mats for at least one big advertisement did not arrive that morning due to trucks being slowed down or stopped altogether.

The back shop staff of the News was short-handed when Miss Mabel Sayles of Richmond, a linotype operator, was "snowed in" and could not drive here.

While the issue will run the planned 16-pages, some news and advertising may be left out due to a shortage of help and lack of mail delayed by the snowstorm.

Miss Dittman Selected for D.A.R. Award

Sharon Dittman, a senior in the Antioch high school, has been selected by the senior class and the high school faculty to receive the Daughters of the American Revolution award.

The D. A. R. award is made annually to a senior girl for her qualities of dependability, service, leadership and patriotism.

Sharon is the daughter of Mr. and Mrs. Albert Dittman of route 2, Antioch.

She has been very active in academic and extra-curricular activities of the school. Sharon has been consistently on the honor roll and in her junior year was chosen by the faculty for membership to the National Honor society because of outstanding scholastic ability and leadership.

The Girls' Athletic association has been of particular interest to Sharon for the last four years—she has been an all star for two years.

In fact, sports and cheerleading have occupied much of her time in and out of school. Dramatics have been of particular interest, too.

Student offices held by Sharon have been: G.A.A. treasurer, Latin Club president, captain varsity cheerleader, secretary and vice-president of the student council.

Sharon's future plans are to attend a university and major in elementary teaching.

Wed. Snowstorm Scenes Pic Inside

8-Inches of Snow Blankets Area Early Wednesday; Traffic Slowed

Wednesday morning schools in the Antioch area as well as that village were closed and many roads nearby were blocked by snow or stalled traffic, but autos moved with little trouble in the village itself.

Traffic on village streets was "light" in numbers although snow plows under the direction of Ed Simonsen, village street superintendent, had the streets pretty well cleared by the time most people were up and about Wednesday.

Drifting was visible everywhere in and out of town. One report had it that a large tow truck rammed into a drift on North avenue, burying its radiator and front end up to the windshield.

One visitor in town Wednesday said he had seen drifts as high as seven feet deep.

Route 173 and Grand avenue were reported blocked in at least two places and U.S. highway 45 was impassable in places.

THE ANTIOCH Rescue Squad was called just before 8 a.m. Wed. to remove a sick person from a subdivision off the Beach Grove road and north of highway 59 but it could not reach the place due to the snow. Stores in downtown Antioch were a bit slower to open than usual as proprietors and clerks alike had trouble reaching their business places.

Postmaster Roy Kufalk sent his crew at the post office home early in the morning when it was found the mail truck from Chicago would not be in, at least for some time.

School buses did not run and children of the Antioch and vicinity grade schools and the high school were enjoying a "vacation."

Operators at the Antioch telephone exchange Wednesday morning were asking that only emergency calls be made. Apparently a shortage of operators due to the

Republicans Meet In LV on Feb. 16

LAKE VILLA — State's attorney Bruno Stanczak of Lake county will be the principal speaker at a meeting of the Lake Villa Republican club when it meets at 8 p.m. Tuesday, Feb. 16, in the VFW hall of that community.

All candidates for Republican nomination for office and their wives have been invited to attend. Candidates will be asked to speak briefly on their qualifications.

All club members, friends and their wives will be welcome to attend.

Refreshments will be served during the evening.

storm and phone lines clogged with calls brought the request.

Plowing by village crews started about 9 p.m. Tuesday as the storm seemed to be on its way to a major snowfall. At 10:30 Main street was well cleared except where cars were parked and most if not all side streets were plowed.

TRAVELERS IN Wisconsin near the Illinois state line north of Antioch said route 83 was open late Tuesday evening but that apparently no plow had covered the route between the line and highway 59. At least two vehicles were noted off the road in that space of four miles between the state line and the village of Salem.

Youthful fans attending the basketball game at Central high school in Paddock Lake Tuesday evening were called by their parents to start home early as the storm mounted.

Eight inches of snow had fallen officially as of about 7 a.m. Wednesday, Kufalk said. This totaled about .83 of an inch of precipitation.

Wednesday being a normal "off day" for Antioch stores due to that day being a holiday each week, foot and auto traffic would be relatively light this week Wednesday anyway.

Village Board At Lindenhurst Votes 'Annex'

LINDENHURST — Lindenhurst's village board Monday evening with little debate voted to annex about 550 acres of land on both sides of the Beck road as far as 1,000 yards north of Loon Lake road.

Last month the board asked the village attorney to draw up an ordinance calling for annexation.

This ordinance was adopted this week Monday on a vote of 6-1 with Trustee Charles Pawlowski the only dissenter. President Bob Randall joined the other four trustees in voting favorably for annexation.

This week's meeting of the board contrasted sharply with the January session when representatives of the Lake county board of health and county planning commission were called upon to speak.

Monday evening no one in the "standing room only" crowd was called upon to speak and even the trustees themselves were relatively mum on the subject.

A legal technicality or two was raised and answered by the village attorney, but that was just about all the debate there was.

DEAR READER News Editorials

Will You Ask These Questions?

Voters in the Antioch-Lake Villa high school district will have a date of some importance to them and to their children on April 9 of this year when they decide who will be on the high school board for several years to come.

Often it is not an easy matter to decide candidates, whether personality-wise, experience-wise or even considering their particular views of matters that may face them in the years to come.

As of Tuesday of this week, four persons have taken out nomination papers. They are Robert Denman of the Millburn district, Millburn Cain of Antioch, Mrs. Mary Chase of Channel Lake and Lars Steffenberg of Antioch.

A present member of the board, A. W. Seekatz of the Petite Lake road, has submitted his resignation from the present board.

This means that residents of the high school district embracing many rural grade school districts as well as Antioch, will select three persons for the board this spring.

Denman and Cain are up for re-election to three year terms. The resignation of Seekatz means that his seat also will be up for grabs and whoever fills it will serve for two years, unless re-elected.

A news story on the editorial page under the heading "Check List for Voters Selecting People to Serve on School Board" contains some questions that would seem pertinent to deciding who should represent us on our high school board of education.

We suggest strongly that you study the questions and then the candidates whoever they may be. We think most of the questions and answers to them are important.

There is no question but what the high school board will have to wrestle with the questions of when, and where, and how much should be spent on solving the dilemma—A new high school building, an addition to the present one or — well you name it.

Coming up with the right answer will not be easy nor will it be done over night for there are many, many interwoven problems connected with it.

That the high school board will have to come up with an answer — and soon — there is no question.

Lee R. Fleming Gives His Views On Tax Problem

Citizens opposed to the return of Robert McClory to the Illinois state senate have cheered the announcement of the withdrawal from the race of retired businessman Malcolm Shroyer of Hawthorn Woods.

Lee R. Fleming of Zion said this week he has had many additional expressions of support in his effort to secure the Republican nomination since Shroyer pulled out.

"Evidence that Republicans of the 52nd district are distributed by the demonstrated attitude of McClory are coming to me all the time," the former Zion mayor reported.

"Particularly since Shroyer withdrew it has become a clear-cut case. The people will now have an opportunity to decide between the senator, who has shown time and again that he is willing to vote taxes without their consent, and myself."

Fleming, who managed the manufacturing interests of Marshall Field & Co. in Zion and has business concerns of his own, commented that he has based his appeal to voters on the idea that the heavy load of taxes makes it morally necessary to allow the people to decide in referendum "whether they wish to tax themselves even more" in matters of local concern.

In withdrawing from the race, Shroyer stated that he was withdrawing in favor of Fleming and would work for his election.

Richard Burke Takes Basic Training in AF

MSGT. Maurice L. Edwards, U. S. Air Force Recruiting office, 325 Washington St., Waukegan, has announced the enlistment of Richard E. Burke, 17, for four years.

Airman Burke received his final processing and testing in Chicago, where he took the air force oath of enlistment. He will receive basic training at Lackland AFB, San Antonio, Texas.

After graduation, he will attend one of the many technical schools or be assigned to an Air Force base to receive on-the-job training in one of 43 different fields open to young men.

He attended Antioch Township high school prior to entering the air force.

Airman Burke is the son of Mr. and Mrs. Francis E. Burke, of route 1, box 427, Antioch.

through the three counties, he learned that "Fleming's support was so strong and the necessity of defeating McClory so great, that he was withdrawing to add support to the strongest candidate."

The battle between Fleming and McClory will be decided April 12 when primary voters in Lake, McHenry and Boone counties decide whom they think will have the greatest power with all voters.

Check List for Voters Selecting People to Serve on School Board

1. Has the candidate an unselfish interest in the public schools, the community, and in every child?
2. Has the candidate arrived at a position of recognized leadership in the community?
3. Is the candidate seeking the position for personal prestige or political gain?
4. Is the candidate a leader in his own occupation or community group?
5. Is the candidate a known quantity in the community?
6. Is the candidate able to think independently and objectively about a program?
7. Will the candidate accede cheerfully to the decisions of the majority?
8. Has the candidate a record of the kind of leadership that will represent the district as a whole rather than a record identifying him with a particular group, cause, or geographical area?
9. Will the candidate work to develop unity among the members of the board, contributing to harmonious development of the program?
10. Will the candidate give the necessary time to this important position?
11. Is the candidate capable of recognizing and distinguishing the jurisdictional power and functions of the board and administration?
12. Does the candidate know the political boundary and physical geography of the school district?
13. Does the candidate have the courage and ability to explain and enforce a rule which might not be popular but which is proper?
14. Does the candidate understand that leadership often involves the turning of public opinion from an erroneous attitude to the acceptance of a feasible rule?
15. Is the candidate aware of the cross currents of thinking pertaining to the basic concepts of public education and will he remain loyal to his trust under stress?
16. Does the candidate have a layman's relationship to public education?
17. Does the candidate make a

habit of withholding judgment on critical issues until the facts are available?

18. Is the candidate able to carry on cheerfully when public appreciation of his efforts seem to be lacking?

19. Does the candidate have personal interests that would invalidate his services to the board?

20. Does the candidate have a sense of humor?

21. Does the candidate show evidence of knowledge of moral and spiritual values?

The ideal candidate of course would rate "yes" on all items of the check list except 3 and 19, which would require "no" answers, for a 100 per cent score. We'd say that candidates scoring 90 per cent or better would be desirable members of almost any school board.

Red Cross Cites Services to All

The American Red Cross is the only health and welfare organization chartered by congress to carry out certain duties for the American people.

Red Cross must provide services and assistance to members of the armed forces and veterans, must conduct a disaster preparedness and relief program, and must provide other government-requested assistance in carrying out the terms of the Geneva Conventions.

While its authority comes from the federal government, Red Cross funds and workers come from the people, with no financial assistance whatsoever from any government. Support your own Lake, county chapter of the American Red Cross in its annual fund drive starting on March 1.

The county goal for 1960 is \$146,125. Only with your help can this goal be met and the Red Cross continue to serve you and your neighbor.

Remember, good things happen when you give.

Topics for Today's Women

Year's Program Outlined at Meet Of Altar and Rosary Group Here

Mrs. Charles Soler, president of St. Peter's Altar and Rosary society, presided at her first meeting of the group Monday evening at the school hall.

The following chairmen were named to the standing committees for the 1960 year:

Spiritual development (daily mass and retreat) Mrs. John Harrison; discussion club, Mrs. Harp Beckman; library and literature, Mrs. Glenn Pierce.

Medical missions, Mrs. E. B. LaPlante; St. Vincent orphanage, Mrs. Frank Kennedy; co-chairman, Mrs. Dudley Kennedy; decency crusade, Mrs. Joseph Sterbenz.

Our Lady's volunteers (sick call and charity) Mrs. Samuel Bailey; civic, Mrs. Larry Ryan; Girl Scouts, Mrs. Leroy Frank.

Membership, Mrs. Norman Schreiber; social, Mrs. Pauline Hart, co-chairman, Mrs. John Roach.

Mrs. Solar announced that the North Lake County federation of Catholic Women will have a district meeting at St. Joseph's church in Waukegan, on Wednesday, Feb. 17. Delegates to this meeting will be Mrs. Rudy Eckert and Mrs. Vincent Stonis.

Mrs. J. A. Vogler, vice-president and program chairman, announced the programs for the remainder of the year as follows.

March 7, evening meeting, Antioch Art Guild.

April 4, evening meeting, Hat Bar and pre-Easter style show to be given by MariAnne's of Antioch.

May 2, Film on Our Lady of Fatima and the remainder of Mrs. Roy Hyre's slides on southern Europe; an evening meeting.

There will be a luncheon during May, time and place to be announced.

Mrs. Anthony J. Scully provided entertainment for the evening with her delightful original poems and stories.

Starting with her verse of the "Wee Ones and Television", she went through to her experiences as a super saleslady at one of Palm Springs most fashionable and exclusive shops.

Mrs. Glenn Pierce and her committee served refreshments, complimenting St. Valentine and George Washington.

'Puppet Show' Scheduled for Woman's Club

Mrs. William Brook has called a meeting of the board of directors of the Antioch Woman's Club for 12:30 p.m. Monday, February 15 at the Scout House.

It will precede the general session at 1:30 o'clock, at which time ten new members will be welcomed into the club.

Mrs. Ted Larson, club program chairman who has just returned from California, will present Mrs. Margaret Lindman of Lake Bluff and her "Puppets in Profile".

Mrs. Lindman, college professor, public speaker, dramatist, and author, is creator of the beloved Lindman marionettes, "Let Us Pull Strings for You".

Using puppets from her own extensive collection, Mrs. Lindman demonstrates their great versatility, as a form of creative drama, as a means of teaching art and literature — as an advertising media — as physical and mental therapy and — just for fun.

Mrs. Einar Petersen will be hostess chairman for the day. Assisting her will be mesdames C. E. Hennings, Howard Gaston, Arthur Laursen, H. E. Shepard, Luliver Lasco, William Rosing, K. F. Deitrick, William Keulman, Sr. and Leslie Sorensen.

Initiation Set By Eastern Star

Antioch chapter Order of the Eastern Star, will hold its regular meeting at 8 p.m. this (Thursday) evening in the Masonic temple.

Miss Nancy Scott will be initiated at this time.

At the previous meeting, Jan. 28, four other persons were initiated. They were Mrs. Edith Andreas, Joseph Parfitt, husband of the worthy matron, and Mr. and Mrs. Charles Maloney.

Green Thumbers Enjoy Pictures

Mrs. Clarence Klentz entertained eight members and guests of the Green Thumbers at her home on Cross Lake Monday afternoon.

Colored films of the extensive grounds of the Jackson-Perkins Rose gardens in New York were shown by Mrs. Frank J. Vance.

Pictures of an earlier trip she had taken through the Blue Ridge mountains and the Florida cypress gardens also were shown by Mrs. Vance.

Members of the club are looking forward to spring when they can get out in their gardens again.

The next meeting of the Green Thumbers will be March 14 at the home of Mrs. C. Gibbons, Felter's subdivision.

Famous Hat Fair Set for Feb. 15

The regular meeting of the Grass Lake school PTA will be at 8 p.m. Monday, Feb. 15, in the school building.

A Founder's day ceremony, honoring past presidents, will be presented by Clyde Queen.

Fun for the evening is being planned with a hat fair, an event which met with great success last year.

Members will model all types of hats, ranging from the ridiculous to the sublime.

Mrs. Robert Hart, chairman of the refreshment committee, will be assisted by other mothers of fourth grade students.

Oakland PTA to Meet on Feb. 15

The Oakland Grade school PTA will meet Monday, Feb. 15, with the Antioch Grade School PTA, at 8 p.m. in the Antioch school's auditorium.

The combined grade school senior band will furnish the program, playing their contest numbers.

Mothers of third grade students from both schools will serve the refreshments.

This is the first grandchild for Mr. and Mrs. John Furlan, Petite Lake and the first grand daughter for Mr. and Mrs. George Huer of Town Line Road.

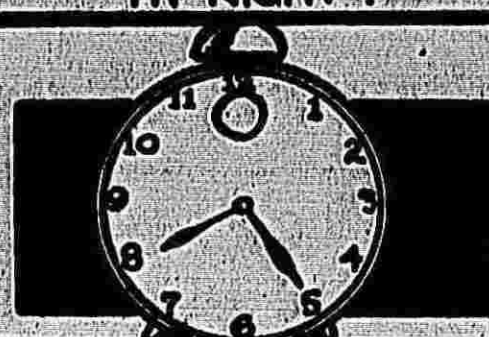

Nelsons Visit Moline

Mr. and Mrs. S. Boyer Nelson and son, Harold, motored to Moline and Davenport last weekend where they were guests of Mr. Nelson's sister, Mrs. W. F. Peters.

Mr. and Mrs. Peters, who at one time lived in Antioch and conducted an automobile business, now reside at Hampton, a suburb of Moline.

TELL ME....

Does a clock run the same during the day... as it does at night?

No! It runs slower in the daytime than at night... due to the difference in temperature!

What is the life span of the olive tree?

More than 1000 years!! Olive trees planted in Tunis in the 7th century still bear fruit... after over 1200 years!

Who originated butter?

Butter was discovered by an Arabian horseman over 4000 years ago! Riding with a skin of milk... the horse's gallop churned the first butter on record!

Do the oceans contain gold?

Yes! However, man has been unable to tap this greatest potential source of gold that has been estimated to hold \$28,000,000,000,000 worth!

Scouting Activities Display Saturday Near Grayslake

GRAYSLAKE—Scouts and Scout leaders throughout the Northwest district of the North Shore area council will close Boy Scout week Saturday with the fifth annual "Scout-O-Rama" displaying Scouting activities, at the Lake County fairgrounds, Routes 120 and 45, near Grayslake.

Fifty-seven units from throughout the district area in West Lake county will begin setting up their exhibits Friday evening in the fairgrounds building.

Most units in the district will participate in the Scout-O-Rama.

Leaders expected that late confessions would bring the total to more than 60 of the district's 79 units participating in the event.

Innovations in the program this year will include a performance by the Great Lakes Naval Training Center band at 2 p.m. when the Scout-O-Rama opens, and an hour program at 3 p.m. by the U.S. Army band.

The program will include displays of Scouting handicraft and activities, and members of the Order of the Arrow will perform Indian dances periodically throughout the afternoon and evening.

The event closes at 8 p.m. Saturday.

Scouting units from Antioch, Lake Villa, Grass Lake, Lindenhurst, and Channel Lake expected to participate and their respective exhibits are:

Cub Scout pack 80 sponsored by the Grass Lake school PTA and its exhibit of "Shellcraft".

Pack 82 sponsored by the Avon Center school PTA in Lake Villa with its "Model Boats" exhibit.

Pack 84 sponsored by the Lindenhurst Men's club in Lindenhurst and its exhibit of "Popsticks".

Pack 86 sponsored by the Channel Lake Community club and its exhibit of "Toothpick Craft".

Pack 88 sponsored by the Lake Villa Community Methodist church and its "Leathercraft" exhibit.

Pack 92, sponsored by Antioch Loyal Order of Moose No. 525 and its exhibit of "Gifts and Decorations".

Boy Scout troop 84 sponsored by the Lindenhurst Men's club and its "Bird Houses" exhibit.

Troop 86 sponsored by the Channel Lake Community club and its exhibit of "Camp Craft and Furniture".

Troop 88 sponsored by the West Miltmore Community center in Lake Villa and its "Archery" exhibit.

Troop 91 sponsored by American Legion post No. 748 in Antioch and its exhibit of "Rope Games".

Cold weather boosts the danger of carbon monoxide poisoning. Not only is carbon monoxide deadly when taken in large enough doses, but small doses can slow a driver's reactions and cause him to have an accident. Make certain your car's exhaust system has no leaks, always open all garage doors before starting your engine and never drive with all windows completely closed.

In today's traffic danger can strike from any direction—and that includes the rear. The frequency of rear-end collisions on slippery roads is a strong reminder that drivers should make more effective use of their rear-view mirror. This means, of course, that it's essential to keep the rear window completely free of frost, ice or snow.

Snow covered road shoulders are deceptive. Use extreme caution when it is necessary to pull off the highway to check your road map or for emergency stops. Snow may hide a culvert, ditch, or other hazard. Best thing to do is look for a little-used country road or farmer's driveway that is clear.

The Marathon foot race of the Olympic games commemorates one of the decisive battles of history. In 490 B. C. a Greek named Pheidippides raced 20 miles to Athens to announce the victory of the Greeks over the Persians on the plain of Marathon. He gasped out the news before falling dead of exhaustion.

Even though the highway on which you're driving is in excellent winter driving condition, it's smart to approach cross roads, side roads and driveways with caution. On less heavily traveled byroads, snow and ice tend to linger longer.

If there's a high school senior in your family, spend a few week ends with him or her visiting colleges. Such visits help them make a wiser choice of school when the time comes.
Your senior can see the campus and dormitories, get a catalog and application blank from the admissions office, meet students and professors—even sit in on a class.
If it's your college, make the week end a reunion with friends. Whatever the school, consider planning your visit for a football week end. Show your senior the lighter side of college life, too. A college tour is fun for the whole family, and it can help your senior plan his future well.

School Bands To Play for Meeting at LV

By Mrs. Edward Bernau
Phone Elliot 6-5649

LINDENHURST — The Parent-Teacher association meeting of the Lake Villa and B. J. Hooper schools will take place Monday, Feb. 15, at 8 p. m. in the auditorium of the Lake Villa school.

The program for the P.T.A. session, under the auspices of Thala Rush, music teacher at Lake Villa school, will be this year's beginners in the Lake Villa junior band, comprising 80 students.

This includes pupils from the B. J. Hooper school in Lindenhurst.

There will be solos and ensembles by the members of the senior band who are preparing to participate in the music contest in Skokie March 5.

There are 88 members in the senior band and 24 in the intermediate band.

Mrs. Milton Lazansky, corresponding secretary of the P.T.A., has sent out invitations to past presidents to participate in the Founder's Day program that also will take place that night.

Receiving invitations are Mrs. William Duncan (1935-1936); Mrs. Leo Barnstable, Lake Villa (1936-37); Mrs. Alice Meyer, Deep Lake, (1937-38); Mrs. Ruth Karolius, Route 21, Lake Villa (1941-42); Mrs. Harry Brownlee, Oak Lane, Lake Villa, (1942-43); Mrs. Gladys Messler, Sand Lake, Lake Villa (1943).

Mrs. Lester Hamlin, Grand ave., Lake Villa, (1944); Mrs. Margaret Wolff, Burnett ave., Lake Villa, (1944-45); Mrs. Fred Bartlett, Grand ave., Lake Villa, (1946-48); Mrs. David Marrs, Venetian Village, (1949); Mrs. Donald Oilschlager, Grand ave., Lake Villa, (1949-50); Mrs. Paul Williamson, Grand ave., Lake Villa, (1950-51).

Mrs. Percy Moran, Venetian Village, (1951-52); John Romer, Route 59, Lake Villa, (1952-53); Mrs. John Emerson, Monaville rd., Ingleside, (1954-55); Mrs. Erick Larson, Rte. 2, Box 710, Lake Villa (1955-57); Mrs. Walter McCleod, Grand ave., Lake Villa, (1957-59).

Mr. Colbert, principal of Lake Villa school, will speak of the proposed building program and bond issue.

Fourth grade room mothers will be hostesses. Room mothers from Lake Villa school are Mrs. Trather, Mrs. Schneider, Mrs. Nader and Mrs. Schaffer. From the Hooper school are Mrs. Palska, Mrs. Bonovitz, Mrs. Alderson and Mrs. Scharton.

Fathers also are invited to attend the P.T.A. meetings.

LINDENHURST MEN'S CLUB officers are shown here in the club building as they prepared to open last Thursday evening's regular meeting. It was the first club session under the new officers. The meeting place is a large old white barn just off Grand Ave. and not far from the village hall. It has been fixed with tables, chairs and the like. Various committees were appointed and plans for the year discussed at this meeting. Shown here are, from left, John Slove, treasurer; Ted Brendell, president; Mike Fidango, vice president, and Lyle Mercer, secretary.

Skating Course Set by Scouts

Leaders and Girl Scouts interested in earning skating badges may contact Mrs. H. G. Rathbone at Elliot 6-5282 for full information. A new 10 week course will be starting soon at the Artemis Rollerskating Rink, Hainesville road, Round Lake.

Mrs. Richard Teasdale, Grayslake, is the newly elected Lakeside Council program chairman. She has spent many years in Girl Scouting.

She is busy in preparation for the neighborhood group exhibits which will be held in March, and the All-out Out of Doors councilwide exhibit which will take place in the spring.

March 12 marks the Girl Scouts 48th birthday. Many plans are in progress for National Girl Scout week which this year will be celebrated March 6-12, Girl Scout Sunday being March 6.

An exchange of used uniforms for Brownies, Girl Scouts or leaders may be made by calling Mrs. F. McGowan, at Baldwin 3-4900.

If you want to sell — phone 43 or 44 and tell.

New Colonial Funeral Home Open House Set

Colonial Funeral home will open its doors to the general public Sunday, Feb. 14, from 10 a.m. to 8 p.m. for the formal opening of the new Antioch funeral home located at 532 Lake street.

John R. Bejek, manager, issued an invitation to everyone to visit the modern building where "understanding, consideration, good taste and serene beauty unite in the time of need in the gratifying performance of a thoughtful service."

24-Hour Depository Open at State Bank

A 24-hour depository has been installed in the State Bank of Antioch foyer just inside the front door to help persons wishing to make a deposit after the close of banking hours.

Making a deposit or payment at the State Bank's 24-hour depository is just as simple and safe as handing one's deposit directly to the teller, officials said.

No key is necessary nor is there a delay or wait of any kind. All one does is fill in an envelope placed below the shelf of the depository vault and drop it in the slot.

'Exotics' Act Given By 4-H Club Girls

Members of the Clever Clovers 4-H club presented their "Exotics" act at a recent installation of officers meeting of the Olson camp no. 459, of the Royal Neighbors of Antioch.

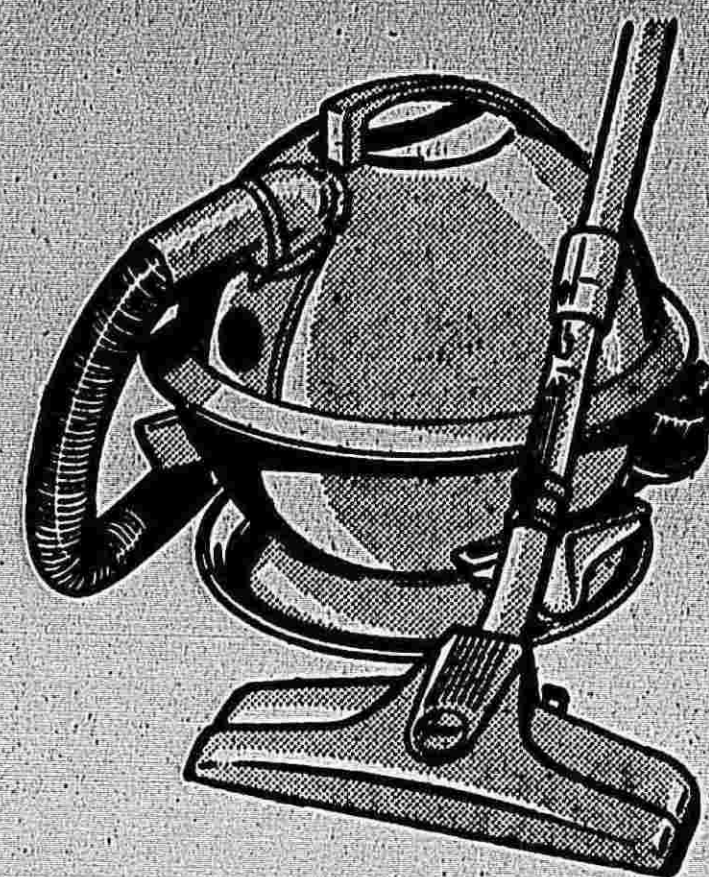

This group of high school girls were "Share the Fun Festival" winners chosen to present their act at the state fair last August. For this they received an "A" rating.

The girls under the leadership of Mrs. Glenn McNeil, include Nancy Brockway, Pat Callahan, Sherry Davis, Sue Duha, Peggy Garvin, Sandra Jordan, Marcia Kulp, Christine McNeil, Peggy McNeil and Carol Wieghart.

Used Clothing Drive Is Scheduled By Emmons School for Feb. 22-26

News-conscious Americans were shocked last winter by headlines marking a severe economic depression in their own American Southern mountains.

Reported rivaling the 30's depression, the after-effects of unemployment which prompted those headlines have left many children in desperate need.

Again, children will be unable to attend school regularly in winter because they lack adequate clothing and shoes.

During the week of Feb. 22 to 26 students of Emmons grade school will gather good, used clothing for children and adults in underprivileged areas of the United States as well as for the victims of disaster at home and overseas through the 18th annual, nationwide Bundle day clothing collection sponsored by Save the Children federation, said Donald J. Blake, principal.

Parents, friends and neighbors are being urged to empty clothes storage areas of, good used winter and summer garments their families no longer need.

Low heeled shoes and overshoes are especially needed. Also requested are serviceable coats, dresses, pants, underwear, socks, shirts, sweaters, skirts, caps, blankets, sheets and baby clothes.

Clothing may be brought or sent to school in bags or cartons. It will be repacked for shipment.

This year, the need for clothing is imperative, he said. Ever more and more clothing is desperately needed to clothe school children as well as entire families.

Donated clothing is sent to the southern mountains, where it is made available through SCF clothing center, at low prices thus enabling a poor but proud people to maintain their self-respect.

Additional clothing is distributed without charge, through county welfare and attendance officers to those who cannot afford to pay.

Clothing is also stockpiled for disaster use in this country and overseas.

The donated clothing program is an important part of Save the Children federation's overall work.

This includes sponsoring of children in the United States and overseas, and the initiating of school and village self-help project for children in this country and abroad.

Games Enjoyed, Awards Presented At Grass Lake Cub Pack Meeting

Cub Scouts of Grass Lake Pack 80 began their pack meeting on Jan. 28 as usual, with the presentation of the flag by the color guard and the pledge of allegiance.

Immediately after the opening, Cubmaster Earl Beese drained off a little excess energy by leading the boys in an action story, "Going for a Walk."

In this they were given ample opportunity to stamp, yell, wave their arms around, etc.

Then followed the serious part of the meeting, with first, the presentation of awards. Mrs. Ethel Jennrich received her Den Mother's basic training certificate.

David Forbes received his Bobcat badge and was welcomed into the pack with an appropriate ceremony.

Anthony Lomma received his Bear badge and a Gold Arrow with it. Karl Hawkins and William Ernsting each received the Lion badge and a Gold Arrow with it, and then were welcomed into the Webelos den by Cubmaster Beese.

A simple ceremony followed in which each boy contributed his dime and signed his name to the scroll which is to be encased into golden jubilee commemorative monument of scouting, being erected in Washington, D. C.

In handicraft judging, Karl Jennrich's shelf was awarded first place, and Robert Beese's neckerchief slide took second.

Anthony Lomma won a silver dollar and was able to collect it as his parents were present.

Cubmaster Beese introduced a new kind of relay race for the game of the evening.

A chair with a cub scout shirt

draped over it and an assortment of cub scout badges and insignia arranged on the chair seat, was placed well out in front of each team.

Each boy had to run up, take a badge and pin it in the proper place on the uniform, and then run back to his place in line.

It showed quickly that these boys hadn't been doing their own sewing, as badges sprouted in places they never were before.

A treasure hunt for a penny which previously had been hidden in plain sight, occupied the boys while refreshments were set out by Den Mother Mrs. Jennrich and the mothers of Den 5 members.

Letter Written By Local Lady Thanks Mother

(Editor's Note: The following letter appeared in a recent edition of the Chicago Tribune under the heading "Thanks to Mother: Here Are the First Letters About Her.")

(It was written by Mrs. Anthony J. Scully of Antioch to her mother, Mrs. Frank M. Duben, 75, a woman who has reared 10 children besides her own four. It was written last Christmas).

Dear Mother:

Every Mother's day and Christmas, and on each of your birthdays, I wonder: "What shall I get Mother? Her needs are so few."

Then today it all became clear. I knew what I would give you. I would write you a letter telling you how much you mean to us.

To me in particular, who owe you so very much—first for giving me life, for sheltering me during my childhood. Everything that is good in me, I owe you. You taught me the prayers I still say today. You protected me from want and spared me sorrow by living as a good wife and mother should. I never was exposed to angry quarrels. You and Father both were models of Christian parenthood.

Through you, I learned to have compassion for those less fortunate than myself, to give to the poor and administer to my sick friends and neighbors. I was taught through your example to kneel at the altar of God and thank Him for my blessings as well as to bring my problems to Him. Because of your teachings, I feel no prejudice against a race or religion not my own.

Were I to practice all these splendid virtues as you have done, I would indeed be a saint on earth. My only excuse is that I am carried along in this modern world where it is forbidden to show affection openly. I am too far from the city to help in the hospitals and slums as you have done, and too harassed with unimportant details that make

Refund Checks For Earlybirds

The pay-off for "early-bird" filers of federal income tax returns has hit the mails in the form of refund checks.

Harold R. All, district director for the Chicago district, said over 1,600 refund checks have been placed in the mail for local taxpayers.

"These are the first 1960 refund checks to go out in this district,"

All said. "They are going to those taxpayers who were the first to file their 1959 returns and who had a refund due them."

Some of the early filers have been notified by letter that their refund checks will be delayed because their returns required a pre-refund audit.

"But because they did file early," he said, "their pre-refund audit already is underway and they therefore will receive any refund check due them that much sooner."

"So," Mr. All advises, "file now and get any refund due you that much sooner, too."

Antioch and LV Women to Lead Catholic Session

Members of parishes and Catholic women's clubs in the area will attend a meeting of North Lake County district of the Archdiocesan Council of Catholic Women at 1:30 p.m. Feb. 17 at St. Joseph Parish, 5115 S. Utica, Waukegan.

The meeting is one of 23 conducted by the ACCW, under sponsorship of His Eminence Albert Cardinal Meyer, to be held in Lake and Cook counties between Jan. 25 and Feb. 19.

Rev. George Knippen, pastor of St. Joseph parish, will give the welcoming address and will introduce visiting clergy to the assembly.

Mrs. Louis Muller, Waukegan, will be the hostess president. She also will be in charge of registration with Mrs. Edward Warchol, Lake Villa, district vice-president.

Reports indicating progress in ACCW committee activity will be given by the district chairmen, including St. Vincent Orphanage, Mrs. Frank Kennedy of 383 Lake St., Antioch.

Guest speakers will include Archdiocesan president, Mrs. Warren Chard, Grayslake, who will speak on "Apostles for Sanctity," and Mrs. Kennard Klingenberg, Chicago, archdiocesan chairman of the Discussion Club committee.

She will talk on the goals and workings of that committee in parish and club groups.

Rt. Rev. Msgr. Thomas J. Fitzgerald, executive director of the council, recently elevated to the rank of Domestic Prelate by Cardinal Meyer, and Rev. James J. Murtaugh, assistant director of council, will be special guests.

Farmers Are Invited To Extension Events

Six specialists from the University of Illinois College of Agriculture will participate in an all-day and evening program Monday, Feb. 22. All sessions will be held in the Farm Bureau building on the Lake county fair grounds located on route 46 about one-half mile north of route 120.

The Extension day program has been arranged by Lake county farm adviser Ray T. Nicholas, and the agricultural extension council.

The specialists will discuss timely topics of interest centering around the theme, "Better Living for the Entire Family."

Everyone is invited to attend any or all sessions starting at 9:30 a.m. Several of the conferences will be of interest to non-farmers as well as to farmers.

Essay Writing Contest Open To 4-H Youth

Four 4-H club members of Lake county will have an opportunity to win a purebred Jersey calf in the sixth annual essay writing contest.

Any Lake county Agricultural 4-H Club member with facilities for raising a calf is eligible to compete in the contest.

Members are required to write an essay of 300 words or less on the subject "Why I Would Like to Own a Purebred Jersey Calf."

A calf award program was started in 1956 when Mr. and Mrs. A. M.

Thompson of Ann Arbor farm, Wadsworth, wanted to give a 4-H club member a high quality Jersey.

Upon receiving the calf the member agreed to award the first heifer calf born from his cow to another club member. Ann Arbor farm awarded calves to winning essay writers in 1956, 1957, 1958 and 1959.

Jersey calves were won by Leonard Schmitt, Ted Dodge, Helmut Lekshas and Kenneth Wagner.

This year's Jersey calf will be awarded by Ted Dodge, a member of the Grayslake 4-H club. The calf which Ted won with her heifer in 1957 had a heifer calf last fall.

Entries in this year's contest must be mailed to farm adviser Ray T. Nicholas on or before March 15.

The winner will be announced March 25.

Antioch Couple Report on Visits Overseas, Places Seen, People

(Mr. and Mrs. Corwin J. Bennett, proprietors of the Antioch Dairy Queen drive-in, are touring South Africa by most every means one can imagine and seeing many places viewed only by explorers.)

(The following is a kind of diary kept by the couple during their trip that was to conclude Dec. 22 when according to a note received from them by the Antioch News, when they boarded a boat at Port Said.)

The latest report came last week by air mail from Hong Kong, another stop on their round-the-world trip.

(The Antioch News is publishing this as it was received here.)

NOV. 17. We took the hotel bus to one end of the falls, then followed the footpath the full length of the falls to meet the bus. It took a full 1½ hours and we loved every minute of it. This is the end of the dry season and so we see the least water over the falls. But I guess that is best because during the rainy season so much water comes pouring over and there is so much spray and mist, one can't see anything but spray and mist.

We took many pictures of the falls from the various lookout points along the path.

We flew over the falls in a small plane this afternoon and was that plane hot! The view was fine but I liked seeing it from the ground better. You get the feeling of tremendous volume and power when you are closer to it.

From the porch of the hotel we can see the clouds of spray above the falls. The hotel pool is one of the finest I was ever in.

Trees covered with orange flowers are called flame or flamboyant trees.

"Bubble and squeak" on the breakfast menu. It is a hash of leftover vegetables. Scones on all breakfast menus so far, are much like our baking powder biscuits.

A baboon came up onto the porch when we were having tea. We fed it cake and took pictures. When we ran out of cake it tore down to the other end of the porch and jumped onto a table where an English girl sat alone. She was so startled she jumped up and tea, cakes and dishes flew in all directions.

NOV. 19—It was very warm when we left Livingstone but Elizabethville is much more comfortable. French is spoken and we have trouble finding anyone who speaks English. The menu is in French but we thought steak tartare sounded safe. We got a generous serving of raw hamburger.

Our room at the Leopold Hotel is O. K. But the plumbing! Four fixtures of course and the tub has a built in seat and is only about 3 feet long.

Elizabethville is a copper mining town, expensive shops. This is the first time we have seen Negro men eating with white men in the hotel restaurant. Meals are expensive. When we register at the hotel we must give birth data, passport numbers, etc.

There are no screens on the windows. Very few insects.

The streets are full of bicycles. Even the native police are on bicycles.

We are advised not to go to the native village. It is too dangerous. Don't expect help if you get into trouble.

People feel like they are sitting on a powder keg. They may have to leave in a hurry.

Ant hills are as tall and big around as a two car garage.

NOV. 20. We visited the native market. It is much like markets of Mexico and South America, except that the dress of the women is very different. They wear a huge wrap-around of bright cotton print. Babies are carried on the mother's back and often a big bundle on her head.

We almost got fooled again tonight. Hamburger was on the menu. We made sure it was cooked but at the last minute found out it was horse meat. We tried snails (escargots) for the first time and did not care for them.

NOV. 21. We flew up to Bukavu on the shores of Lake Kivu not far from the equator. Our hotel is on the lake and from our balcony we have been watching the natives in dug-out canoes putting out their fishing nets. Mountains are all around the town and lake. A beautiful view in every direction.

We have hired a car and native driver to take us for 7 days through the region north of Bukavu starting from Goma on the 23rd.

So far we have had no uncomfortably hot weather and again there are no screens and none are needed. This section is lush. From the plane we saw big banana fields. The whole area is covered with dense green vegetation.

Altitude about 4,500 feet.

NOV. 22—We slept under a heavy blanket last night and needed it. This morning we visited the native banana market. It was right on the lake shore and the bananas had been brought there in dugout canoes. Women went away carrying big stalks on their heads. All the bananas were green.

We took pictures with the Polaroid and showed them to the people. They had the most fun and laughed out loud when they recognized

themselves or their friends.

Then we drove through the native section. Many are living in miserable shacks but the government has built more modern housing for many. There is no color bar in the Congo. The colored can go wherever they can pay the cost. We saw a big new hospital and two big modern schools. We are amazed at the progress of the natives here.

There is trouble between tribes and we cannot go into some trouble areas.

We walked through the local country club. Very nice. Billiards, swimming and tennis. Two men playing tennis have three boys to chase balls.

Natives on the street try to sell us baskets of the most beautiful strawberries and big mushrooms. Pineapple in the restaurants is delicious, very sweet.

NOV. 23. We flew north to Goma. Everything beautiful and green, flowers in profusion. This town is in the middle of a plantation area producing coffee and tea. We are close enough to an active volcano to see the smoke during the day and the fire light at night.

Showers every day at any time but no heavy rains. No screens, flies, or mosquitoes.

NOV. 24. We drove up to Albert Park in our rented car with a native driver. Reached Rwanda camp at noon. We stayed here over night. It is necessary to take a government guide with you as you drive through the park. We drove from 3 to 6 p.m. It was a dream come true. We saw hundreds of elephant of all sizes. Some alone, some in groups of 2 or 3 to 20. They are huge, very impressive, and beautiful in their natural surroundings. Instead of looking awkward and clumsy, they look dignified and very sure of themselves.

Then we saw a herd of gazelle, eyes fastened on something in the grass. Our guide realized immediately that they saw lion. Soon we saw them, too. There were two of them lying in the grass. At first we could only see their ears and the tops of their heads, but when we reached higher ground we could see their heads, and occasionally a tail. They were looking right at us. One of them obliged us by getting up and walking in full view about 30 strides before he decided it was too much effort and lay down again.

We also saw buffalo for the first time but the elephant and lion provided the big thrill. Driving up here from Goma we saw coffee growing along the road for miles. Hillsides were terraced and cultivated to the top. There were many smaller fields of bananas and some corn, quite a lot of beans.

There are very few tourists in Albert Park. We are told it is because the natives in the area have been having so much trouble.

When standing in front of the camp restaurant, five elephants and a number of buffalo as well as many gazelle were in plain view. This day makes the trip through the Congo well worth while in spite of language difficulties, food problems, and poor roads.

NOV. 25. We got up at 5:30 this morning and a boy brought coffee to our cabin. I like that. We left at 6:00 a. m. for an early morning drive to see game. There was lots of it, many elephants and topi. We glimpsed a lion ahead and moved up slowly and quietly. There must have been close to 20 in the pride. Some were within 10 feet of the road. I could see 10 at one time in the group. Some were half grown, others in their prime.

We sat and watched them for some time. They didn't seem to mind us at all. Finally they got up one or two at a time and slowly moved off into the bush toward the stream. They were so beautiful and so perfect! That was a real thrill.

Going back to camp for breakfast at 9:00 we drove through a big herd of buffalo, scattered all over the plain, on both sides of the road. They seem to feel very superior to humans in cars.

We drove through mountains all day. One sign gave the altitude about 8,000 feet. Another told us we were crossing the equator. It has been so cool all day that I have worn a sweater.

Butembo is our stop for the night. This is the poorest room we have had so far. You enter through the bathroom. The toilet is in a separate room with an outside door.

Everything grows wildly here. This town is in the midst of real tropical jungle. Flowers everywhere. Calla lilies are all over the place. Tea and coffee are grown on the cultivated slopes.

NOV. 26. Thursday, Thanksgiving, but nobody here knows anything about that. We are at Mt. Hoyo in the pygmy country. About 300 miles from an airport, and about 400 miles from the railroad. We have driven most of the day on gravel road, wide enough to pass if you crowd over at a wide spot. I said gravel, but when it rains it seems like clay, and when dry like solid rock, and it is VERY ROUGH. We are very glad we have a driver.

We came through tropical forest all day. Some have been cleared for coffee plantations. We wonder

4-H Leaders Meet Feb. 15

Local agricultural and home economics 4-H club leaders are invited to attend the District 4-H Leaders conference Feb. 15 at Elgin.

Farm and Home advisers Ray T. Nicholas and Helen Volk, and assistant home adviser Suzanne Dupuis, reported that local 4-H leaders who attend will learn a great deal to help them in future 4-H leadership.

Theme of this year's conference is "Share the Fun in the 4-H Program." University of Illinois 4-H and recreation specialists Bill Stone, Delores Parrot and Ruth Dickens will be on hand to discuss recreation in the 4-H program.

Leaders who attend will be honored for their contribution to the youth of the community at a luncheon sponsored by the Illinois 4-H Club Foundation.

100 Take Part in Fishing Derby; Other News From Fox Lake Hills

By Jim Jankowiak

FOX LAKE HILLS—The Fox Lake Hills Sports club held its first ice fishing derby recently with about 100 entrants from various parts of Lake and Cook counties represented.

Although the day was quite warm for winter, there was a brisk business going at the Sports club coffee concession. Hot dogs also were served.

At the end of the derby, the winners were announced at Ray's resort. The lucky anglers were:

First \$50 to Stan Modona for a one pound, three ounce large-mouth bass. Stan is from Stanton's Bay road, Ingleside.

Second—\$25 went to Ernie Dalibo of Loon lake for his 15 ounce catfish.

Booby prize—This dubious award went to Biff Bellows of Elgin for his jumbo perch—a full four grams. Biff received a case of cokes for his efforts and crafty angling.

Antioch Hi Chatter

By Marie Jasien

Antioch High Reporter

With the close of the old semester, and the opening of a new, Antioch High has become acquainted with a host of new teachers.

In just the few weeks since the semester opened these new teachers have already become known, and liked by the students.

Mrs. Patricia Cassidy is being replaced by a tall, handsome man named Mr. Olsen. It will be his job to teach the speech classes, and the advanced speech, or drama course.

Mrs. Esther Hamlin's classes have found Miss Oheim as their new teacher.

Miss Oheim is a former secretary, and she is able to teach business education courses with the knowledge of her years working in an office behind her.

Mrs. Audrey Van Slochteren is being replaced by Mrs. Jedele, who was formerly a substitute teacher at A.T.H.S. The students already knew her, and she didn't have as much trouble learning their names as did the other new teachers.

Mr. Valaske is taking over the place vacated by Robert Jachino. He teaches mainly American Government, but also has World History, and International Relations classes.

It will take a while before the new teachers fit into the vacancy they are filling, but they are becoming better and better known, and better liked.

This far in the season it really is a thrill to be in first place in the basketball conference, and with such a few games left to play.

Everyone is anxious for Antioch to be conference champs, and the school spirit has risen greatly.

This last week was the second

week for the ATHS book store. Located in one half of the P.X., it has only one drawback. The paper back copies sold cannot be properly displayed.

Kenneth Smouse and James Corrigan have done a very good job setting up this book store. They have tried to select titles of interest to most students, and anyone can find a title that will interest them.

It is handy having books that can be used for school work, and just for pleasure right at the high school.

The juniors were happy to hear that their class rings came in last week, and almost all of them can be seen wearing theirs.

A class ring is a big thing in the life of a high schooler, and it is the first step towards graduation.

Wednesday, February 10, the movie "Silent World" was shown at the high school.

The student council presented this movie to the students, at a small fee. It was shown twice, once for freshmen and sophomores, and once for juniors and seniors. It was enjoyed by all.

Vehicle License Plates Deadline Drawing Nearer

SPRINGFIELD—Deadline for displaying 1960 motor vehicle license plates is less than two weeks away and more than a million motorists have yet to obtain their plates.

Persons applying by mail for their licenses cannot now be assured of having them in time for the deadline, as approximately two weeks are required for processing of applications and delivery of plates.

To give late over-the-counter purchasers every opportunity to meet the deadline, the three motor vehicle facilities in Chicago and the automobile division headquarters in Springfield will be open all day, from 8:30 a. m. to 4:30 p. m., Saturday, Feb. 13, and will also be open on Lincoln's birthday, Friday, Feb. 12.

All reassigned numbers, regardless of how high they are, will be in the mail in the next few days.

Carol Hollis spent last weekend with Mr. and Mrs. Fred Bartlett, Jr. Lela Barnstable was ill at her home all last week.

Ruth Karolius was absent from her duties at a naval station because of illness.

Mrs. Evelyn Killough and Mrs. Fred Bartlett, Sr., were visitors Wednesday at the home of Mr. and Mrs. Raymond Bartlett of Waukegan.

Mr. and Mrs. Vern Barnstable and daughter of Antioch were visitors Saturday evening at the home of Mr. and Mrs. Henry Reidel and Mrs. Lottie Barnstable.

Department of Illinois VFW auxiliary sponsored a party at Downey Tuesday afternoon, with the following attending: department hospital chairman Kay Kasting, co-chairman Doris Blumenschein and Helen Keisler.

Mr. and Mrs. Howard Fish and family from Algonquin were visitors recently at the home of Mr. and Mrs. William Fish.

Everett Fish and son were callers Sunday at the home of Mr. and Mrs. William Fish.

The VFW auxiliary will sponsor a party at Downey Tuesday, Feb. 16. The bus will leave the VFW hall at 6:20 p. m.

Any member wishing to donate sandwiches, please contact hospital chairman Mrs. Frank Slazes, Sr.

A benefit card party will be held Friday, Feb. 12, at the Prince of Peace school on Grand Ave., and Route 21 in Lake Villa, starting at 12 noon. It will be for benefit of St. Vincent's Orphanage.

Mrs. Matthew Johannes is the chairman. Refreshments will be served. It is open to the public.

LV Bands Drill For Competition

LAKE VILLA—Several students from the Lake Villa grade school who will take part in the Illinois grade school contest in Skokie March 5 presented several ensemble and solo numbers at a meeting here Tuesday evening.

Occasion was the regular session of the Lake Villa School Band association at the school building.

The senior band is rehearsing for a concert to be performed March 10 at a meeting of the Band Boosters association at Round Lake grade school. Thala Rush will be the director.

The junior band is scheduled to appear for the first time at a meeting of the Lake Villa grade school PTA on Feb. 15.

Kenneth Rolin, president of the band association appointed a nominating committee at Tuesday night's session.

SOMETHING NEW BEING ADDED to the Spring Valley Country club north of Antioch is shown in this photograph taken this week as workmen put on a roof to the new large veranda that looks out on the golf course. The interior also is being enlarged. Schultz Brothers of Salem, Wis., are doing the carpentry work. Shown in the picture are (on the roof) Alfred Schultz and Emerald Schultz, of Salem; and below are Louis Hatcher of Bristol and Joe Schultz of Salem. Interior work is being pushed when the weather is bad.

Girl Friends Celebrate Birthdays Together at Home in Lindenhurst

By Mrs. Edward Bernau
Phone ELiot 6-5449

LINDENHURST—Two girl friends, both having birthdays on the same day, Feb. 10, will celebrate together.

They are Mrs. Barbara Hendrickson of Sprucewood lane and Mrs. Mary Wiczorek of Longmeadow drive.

Helping the girls blow out the candles and singing happy birthday will be Barbara's husband, Bob, and their two children, Janet and Greg, and Mary's husband, Gene, and their two children, Georgie and Christine.

The party will be in the Wiczorek home.

Sunday evening visitors of the Joe LaBarbera family of White Oak drive were Mr. and Mrs. Barry Kleban and Mr. and Mrs. John Grant, both of Longmeadow drive.

The Social club met at the home of Mrs. John Peterson on South Thornwood drive, last Friday. Nine members came out on the rainy night.

Ray Tiedeman of South Thornwood drive observed his third birthday Sunday. His maternal grandparents, Mr. and Mrs. Joseph Sarat, his aunt, Miss Jeanette Sarat and his paternal grandparents, Mr. and Mrs. Hank Tiedeman, all of Chicago, helped him celebrate. He is the son of Mr. and Mrs. George Tiedeman.

Ray has a little sister Cindy, 14 months old. The family enjoyed supper together and they all enjoyed the birthday cake from Slove's.

The Lindenhurst Daisies' senior group met at the home of Mrs. Andrew Westberg of Woodlane drive recently. Members are Carolyn Westberg, 17, Pat Lobrillo 14, Loren Lee Lewis 14, Barbara Warchol 13, and Alice Bechtol 13. This was their second meeting. They discussed projects for the year, dues and National 4-H week.

This is going on the fourth week that Mrs. Louis J. Harceg of Long Meadow drive has been ill with a strep throat. Her mother, Mrs. Irene May of Chicago, came out one day to give Alberta a hand with her three children. The children are Carol 9, Louis 5 and little Jeffrey two.

Ronnie 4, and Jimmie 3, children of Mr. and Mrs. Tony J. Tumminello of Long Meadow drive, are getting over the chicken pox. Michael, 8, had it when he was "younger."

The Canasta club met at the home of Mrs. Pat Scharz on Fairfield road Jan. 29. The card playing girls are Mrs. Ruth Burke, Mrs. Ida Christensen, Mrs. Bert Harceg, Mrs. Ellen Harsh, Mrs. Betty Janega, Mrs. Dorothy Moe, Mrs. Ing Spiegler, Mrs. Dolores Povillaitis, Mrs. Pat Vrba and Mrs. Georgia Sutherland.

Miss Shirley Haidner of Hazelwood drive celebrated her birthday Feb. 3, with her immediate family.

"The Gadabouts" met at the home of Mrs. Sandy Drago on Elmwood drive Wednesday, Feb. 10.

Mrs. Edward Bernau held a brush demonstration in her home Tuesday, Feb. 9, in the afternoon. Several neighbors attended.

Mrs. Ida DeSomers, Mrs. Bernice Frontzak and Mrs. Lou Stanley met at the home of Mrs. Lois Flanagan Feb. 9 for their regular card game. They meet every Tuesday afternoon for lunch.

Mr. and Mrs. Edward Bernau and Billy of White Oak drive spent Sunday afternoon and evening with the James Bernau family in Roselle.

The occasion was Terry Bernau's 17th birthday. Jim and Ed are brothers.

Mrs. Martin Golden of Elmwood drive is finally on the mend. She

has been a victim of the flu bug, like so many others.

Mrs. Jane Lindberg of Sprucewood lane, celebrated her birthday Sunday at the home of her brother, Gordon Bryant and family in Elgin. Included in the party were her husband, Howard, their two sons Bruce 4, and David 2½, and Jane's parents, Mr. and Mrs. Paul Bryant.

The Lindenhurst Daisies' junior group met at the home of Mrs. Andrew Westberg of Woodlane drive Tuesday. It was their first meeting. Eleven girls are in the group.

The executive board of the Lake Villa-Hooper school Parent-Teacher association met at the Lake Villa school Monday evening. Robert McLelland, president, called the session.

At the Feb. 4 meeting of the Lindenhurst Men's club members had an extensive discussion on getting more new members. Various committees were appointed. Mr. Colbert, principal at Lake Villa school spoke about the proposed building program and bond issue. Ted Brendel is president.

The flu bug bit the Adolph Rohrer family of Old Elm road. On the sick list were William 6, Gary 4, and Laurie 2½. Playing nurse to them was their mother, Helen. She finally came down with it too.

Quite a birthday was celebrated on Old Elm road last Sunday. The occasion was Carol Arbank's sixth birthday.

Classmates and friends who attended were Terry Straka, Laura Dragoon, Andy Haver, Ricky Graves, Rose Mary Romano, Terry and Ruth Ireland, Steven Lazansky, Judy Bressman, Billy Rohrer, Jean Flanagan and Joyce Butler. Carol is the daughter of Mr. and Mrs. George Arbank. They also have another daughter, Barbara, 2 years old.

The children played "pin the tail on the donkey," sat on blown balloons until broken, played "musical pennies."

The children all sat on the floor in a circle and all but one was given a penny, as the music stopped the one who didn't have a penny had to get out of the game. That goes on until only one is left and he wins the pennies. (Lots quieter than "musical chairs.")

Fortunes were inserted in blown balloons and when each balloon was broken, the child read his fortune. Hearts were cut in half and the children had to find their partner who had the other half. Winners of games received prizes.

The children sang "happy birthday" twice, and then what they all came for was served. A beautiful cake with candles, soda pop and ice cream.

Carol received many gifts from her friends.

The Mid-winter ping pong tournament of the Lindenhurst Sportsmen's club was held recently. Don Ringsteyer of Deeppath drive took first place. Tom Hay of Briar Lane came in second and Gene Baker of Witchwood lane was third.

how they get it out.

For the last two hours we came through pygmy country. They are the first people we have seen to go absolutely naked. They are only about 4 feet tall, very thin, and not at all good looking. They are the first people to come running up wanting to have their pictures taken, for francs or tobacco. Many of the little men carry a bow and arrows. The arrow tips have been poisoned and are wrapped in green leaves.

After we reached the hotel, we went to see the caves where "King Solomon's Mines" was shot. We saw where they found the treasure, but apparently they took all of it. There was none left for us.

There were hundreds of bats hanging from the ceiling. When disturbed they would fly around then right back to the roof of the cave.

NOV. 27. For our dinner last night (Thanksgiving) we had the poorest meal so far. We were served one joint of oxtail each, hardly a bite of meat on it. Corwin had better not complain of my cooking ever again or I'll send him back here.

After raining all night it finally stopped at about 9:30 so we went to the pigmy village at about 10 a.m. We walked about a quarter mile by footpath through dense tropical forest.

The pigmies wear no clothes at all except a little apron piece that

ties around the waist and just a narrow strip between the legs. Sometimes no apron.

Their cloth is made of bark. They showed us how they pound it to soften and spread the fibers.

A bow and arrow exhibition was interesting. They are really good and seemed to be having a lot of fun. The little boys were playing with their own bows and arrows, shooting at a piece of fruit rolled over the ground. They were surprisingly good at it. They demonstrated the making of poison for the arrows.

The dances were interesting and they seemed to enjoy doing them. I especially enjoyed two that represented an elephant and gazelle hunts.

We stopped at an Africa Inland Mission, and were shown around by an American woman lab technician. They take care of as many as 1200 out-patients in a day. The natives pay a small fee for medical care for the year.

When anyone has to be hospitalized, the mission provides the medical care and a bare cot. The patient supplies his own clothing, bedding, etc. His family comes along, is housed in a nearby cabin, and provides food for the patient.

There is a colony of 3,000 lepers in the same community (Mutwani's). They are subsidized by the government but the mission doctor devotes part of his time to them.

We can see snow atop some mountains, 15,000 feet high.

Mrs. Simek Attends Foundation Meeting

Mrs. Ronald Simek of Lake Villa was one of those expected to attend a meeting of the Chicago chapter of the National Cystic Fibrosis Research foundation held this week Wednesday evening at the LaSalle hotel.

The Lake Villa woman is an active member of this organization.

Dr. Joan Simek, a graduate of Oxford Medical School, Oxford, England, who is conducting research in cystic fibrosis at Children's Memorial hospital, Chicago, was the speaker.

Square Dance Planned for Feb. 27 At Channel Lake; Other Area News

By Mrs. Pearl Kapell
Channel Lake Correspondent
CHANNEL LAKE—A square dance sponsored by the Channel Lake Community club will be held at the Channel Lake school on Feb. 27. Music will be furnished by record, but a caller and instructor will be present to guide the dancers. If you've never square-danced, come down and give it a try. If you have, and enjoyed it, come down and join the other couples in an evening of fun.

Mr. and Mrs. Paul Chase are in Los Angeles, visiting at the home of the William Dowells. They report they are recovering from the flu. You just can't get away from it, no matter where you go.

Girl Scouts of Troop 73 and the Brownies of Troop 74 will participate in Girl Scout Round-Up at the Antioch Grade school on March 12. This is a gathering of all Girl Scouts from the Antioch and Lake Villa neighborhood of the Lakeside council.

Each group will prepare skits and displays featuring some country. Troop 73 will represent Japan, and the Brownies of Troop 74 will represent Holland.

We wish a speedy recovery to little Susan Irmen, who is confined to her home by illness. Also to Jackie Zerr and Mrs. Holstrom, both hospitalized last week.
Ruth Trussell, Mary Chase and Myra Jungman are among local residents taking college extension courses in Waukegan this semester. The Arthur Dieballs will be leaving Channel Lake soon to move to Michigan.

Don't forget the P.T.A. meeting on Feb. 17. The program this month will feature a talk on home decorating by Bette Meyer.

The bowling team of the Channel Lake Community club needs another member. The team bowls at Twin Lakes Friday nights.

Mrs. Mary Chase has been selected to represent this area on the executive committee of the Lake County School Board association.

This is a fairly new group, formed to get school board members together to discuss problems and consider possible solutions.

Five school board members were selected to form a board of directors, and 13 school board members from various areas were selected to serve on the executive committee.

Because Assistant Scoutmaster Bill Young is now working on a shift which conflicts with Boy Scout meetings, Scoutmaster Ray Atwood is in need of fathers to help with the troop. Boy Scout meetings are held Monday nights at the Channel Lake school.

Mothers are needed to help in the work of sewing and repairing tents and other Boy Scout equipment. Anyone willing to help is to call Ruth Trussell at Antioch 2286.

Belated birthday greetings to Bruce Dieball on his birthday Feb. 6, and to Howard Rudolph on Feb. 4. The Channel Lake Chieftains lost a game to Fremont on Feb. 6. However, the "B" team won its game.

Bakery Auction, Party at Salem
PADDOCK LAKE, Wis.—The Salem Central Community club will sponsor a card party and a bakery auction at Salem Central high school on Saturday, Feb. 20, beginning at 8 p.m.
All types of card games will be played. Prizes will be awarded. Admission will be by sale of tickets at the door.
Everyone is welcome. Come, help your community club.

Businessmen Will Attend C of C Meet

CRYSTAL LAKE—Harold J. Bacon, president of the Home State Bank of Crystal Lake, will be host at an Illinois state chamber of commerce dinner here Thursday evening, Feb. 18, at the Czech Lodge on U. S. Highway 14.
The meeting is scheduled to begin at 6:30 p.m., with state chamber members and other leading businessmen from Crystal Lake and 20 surrounding communities expected to attend.

Principals on the program will be officers and staff executives of the state chamber.

In relating details of the meeting, Bacon said discussions will focus upon such pertinent subjects as social security and unemployment compensation, federal, state and local taxation, labor relations, education, businessmen and politics, agriculture-business relations, water resources and other problems.

Among those attending will be businessmen from Antioch, Crystal Lake, Fox Lake, Grayslake, Lake Villa, Lake Zurich, Libertyville, Spring Grove and Waukegan.

"You and I as free Americans pay gratefully and willingly these taxes that benefit our families and our communities... but THOSE TAXES passed without our consent must not be allowed to continue."

Join With Us In Electing LEE R. FLEMING for STATE SENATOR ... for these three reasons

In these times when cost-of-living goes up on all sides, it's high time that a strong, capable man with a purpose be elected STATE SENATOR to fight unfair tax increases.

Read these reasons why LEE R. FLEMING is the man we need now.

1. FLEMING has the experience, ability, courage and desire to protect in the State Senate our tax-paying methods that relatively boost our taxes and wreck the family budgets.

FLEMING knows tax law—and most important has a record of making good his promises.

2. LEE R. FLEMING managed Marshall Field & Co. Manufacturing Division at Zion.

He was on General Douglas MacArthur's staff as Chief of the Foreign Trade Division of Japan, managing the exports of the entire nation. He received General MacArthur's highest commendation and editorial applause from the Nation's press.

(During his nation-wide tour in '34, General Douglas MacArthur scheduled a stop in Zion, Illinois. Fleming served on General MacArthur's staff as Chief of Foreign Trade Division during the reconstruction of Japan. Fleming's unusual success at this difficult job brought him General MacArthur's highest commendation and editorial applause from the Nation's press.)

How To Grow Up

How does a girl say no? It isn't easy. As a matter of fact, it is one of the hardest things for a girl or anybody else to learn, according to Dr. Evelyn Mills Duvall, noted columnist and sociologist. Yet to a girl just beginning to date, writes Dr. Duvall in her book, "Facts of Life and Love for Teen-Agers," knowing how to say no can mark the difference between happy adolescence and emotional disaster.

With seriousness and dignity, yet not without a light-hearted touch where it eases understanding, Dr. Duvall's book presents many of the problems of "growing up" and how they may be handled. Chief among these problems is saying no.

When an alcoholic drink is offered, and everyone in the crowd is indulging, a few stock answers could serve the girl who'd like to refuse without seeming a stick-in-the-mud. "I'll take a coke straight, please," is one suggested answer. A reply that gets a laugh will usually command the respect of the crowd.

When the boy wants to pet, how does the girl reject the advance without rejecting the boy? "Sorry, Bill, not just now," is the simplest solution, and coupled with a glance that indicates she nevertheless likes the boy, relieves the situation.

When cigarettes are passed around, a girl can pull mints out of her pocket while turning down the smokes, and offer them in turn. When the crowd seems bent on going to a questionable spot, the girl can refuse if she understands that

in such a case independence rather than conformity is the sign of being "grown up."

"Sometimes," writes Dr. Duvall, "just when you are trying to appear grown up and as free to do what you please as the rest of the crowd, you are torn between two decisions you could make. One side of yourself begs to join the crowd just to prove that you can go if you want to. Another side of yourself reminds you that refusing to go where you know you shouldn't proves still more strongly your freedom of choice and your grownupness. Which wins out?"

"Facts of Life and Love for Teen-Agers" deals calmly and honestly with many other problems of youth. Universally acclaimed, it has already exhausted seven printings. Its straightforward presentation of sex and physiology has made it invaluable for parents as well. A book that doesn't talk down and is never preachy, it has become a standard reference in churches, schools, colleges, and community centers.

Published by Association Press, the publication department of the National Council of YMCA's, it has been endorsed by the American Medical Association Journal and praised by Dr. Walter C. Alvarez as the best he has ever seen on the subject.

Science-Math Group Meets; Fair Planned

Antioch-Lake Villa high school was host to the last meeting of the science-math group representing six grade schools and one high school (ATHS).

Teachers from these schools have been meeting for some time in an attempt to bring out a uniform teaching system set-up for this area.

Schools represented were Lake Villa grade, Oakland, Antioch, Consolidated, Millburn, Grass Lake, Antioch-Lake Villa high and B. J. Hooper.

The science group presently is studying and evaluating a science guidance outline which it hopes to have ready by fall.

Purpose of this outline is to make the transition from grade school to high school more uniform by setting up definite objectives, along with suggested activities for each grade.

The science group also has spent considerable time studying and evaluating new science tests.

A science fair is being sponsored by the Antioch-Lake Villa high school on April 6 with students from sixth, seventh and eighth grades being invited to enter the event.

The public will be invited to view the various science projects on that date from 7 to 9 p.m. at the high school.

The mathematics group has spent several meetings in evaluating new

the Lakeside council, Girl Scouts, held since last April with delegates from many areas present. The women were Mrs. Anders Nordling and Mrs. W. H. McLeod.

Carl A. Meinersmann, Lake Villa Broker Dies in Florida

Carl A. Meinersmann, 67, well-known real estate and insurance broker of Petite Lake, Lake Villa, died suddenly from a heart attack Tuesday evening while vacationing in Ft. Lauderdale, Fla.

Born May 19, 1892 in Bueckeburg, Germany, he came to America in 1908 and lived in Chicago until moving to Lake Villa in 1921.

He and his late brother, Herman T. Meinersmann, were landscape architects and are well known for cemetery planning in the Chicago area. These include Ridgewood Cemetery, Irving Park Blvd. Cemetery, the new part of Resurrection Cemetery and Calumet Park Cemetery, near Crown Point, Ind. Mr. Meinersmann was president of the latter for many years.

The two brothers also laid out several subdivisions at Petite Lake. Carl has been a real estate and insurance broker for the past 35 years and a Justice of the Peace in Lake Villa Township for many years.

He was a member of Sequoit Masonic Lodge No. 827 AF & AM, Antioch American Legion Post 748 and several other organizations.

Adele A. Meinersmann preceded her husband in death on March 1, 1954.

He is survived by his daughter, Mrs. Louise (Louis) Oetting of Lake Villa and two grandchildren.

Services will be held at 1:30 Saturday at Strang's Funeral Home with the Rev. Gerald Robinson of the Lake Villa Community Methodist Church officiating. Burial will be in Ridgewood Cemetery. Friends may call after 2 p.m. Friday.

Accident Reported

LAKE VILLA—Alta F. Binder of route 2, Lake Villa, was driver of a car involved in an accident in Waukegan last Wednesday afternoon. She was charged with negligent driving and released on \$50 bond.

Operator of the other vehicle was Jacob Rosen of North Chicago.

Blaze Guts Interior Of Wisconsin House

The Lowell Gair home off route 83 just north of the Illinois line in Wisconsin was gutted by fire Monday afternoon before firemen from Trevor quenched the blaze.

Antioch firemen in the meantime were extinguishing a chimney fire in a home not far away, only in Illinois.

No one was at home when the Gair blaze broke out. Both Mr. and Mrs. Gair were working and their children were in school.

The one-story home suffered damage estimated at about \$4,000.

Lake Villa Residents Involved in Accidents

LAKE VILLA—Lake Villa residents were involved in two car collisions last weekend in Venetian Village and in the Waukegan area.

Leo Mattson of route 4, Greenbriar lane in Lake Villa, reported to Lake county sheriff's deputies his car was struck on Green Bay road in Waukegan Saturday night.

The second mishap took place on Eagle dr. in Venetian Village with cars operated by Howard E. Boswell of route 3, Morton drive, Lake Villa, and one driven by Ernest Beja of Round Lake being involved.

Dr. Arthur A. Schuck, chief scout executive since 1948, began in scouting in 1913 as an assistant scoutmaster in Newark, N. J.

Many Activities Planned Last W'k By FL Hills Ladies

By Jim Jankowiak
Fox Lake Hills Correspondent

FOX LAKE HILLS—The Fox Lake Hills Women's auxiliary held its monthly meeting last week at the Holy Family church in Unit 1. Theme of the February session was, naturally, "Valentine's Day." Approximately 40 ladies took advantage of the party to have a lot of fun.

The ladies played "pass the orange," clothespin game, blowing up a bag and a numbers game.

The clothespin game was won by Mrs. Ed Jankowiak, the blowing up the bag game by Mrs. Shirley Waugh and Mrs. Reg Grabowski, and the numbers game by Mrs. Julie Chonis.

Afterward there was cake and coffee, plus plenty of talking. All the women who attended reported that they had a fine time.

On the business side of the meeting, the ladies discussed plans for their forthcoming Community Hospital rummage sale, to be held on March 11 and 12.

Anyone wishing to help out on either of these days is to contact Alice St. Romain at ELliot 6-5198, or Grace Weathers at JUstice 7-5117.

Mrs. St. Romain says that she would be more than happy to pick up any items for the sale if she is contacted.

The spring dance committee reported that plans for the affair are coming along nicely. The affair will take place on the evening of May 7 at the Fox Lake Legion hall. It will be open to anyone who wishes to purchase a ticket. A name band will be featured.

Also on the long range calendar for the auxiliary is a tea to be held on Sunday afternoon, May 1.

Prior to that, on Wednesday evening, April 27, there will be a card party and fashion show, sponsored by Creighton's of Fox Lake.

At the next meeting, March 2, a plastic demonstration will be given. Twenty-five per cent of the proceeds will go to the heart fund.

The Hills Sports club also had a meeting last week. It was reported that the ice fishing derby which the club sponsored last month turned out to be a profit making affair. The club realized a little over \$30 in profits.

On Friday night, Feb. 12, the Sports club will hold its monthly social night. As usual, it will start at 8 p.m. at the home of Association president Harold Riley. There will be poker and pinocle playing, as well as other entertainment.

Refreshments will be served. All men of the subdivision are invited to attend.

The Teen clubbers held a meeting last Monday night at the home of Mary Ellen Dvorak. Members discussed plans for coming events. Their next meeting will be on Monday night, Feb. 22.

A note to members of the Fox Lake Hills Property Owners' association: The monthly meeting will be this coming Monday night, Feb. 15. The time will be 7:30 p. m. and the place will be the Holy Family church on Lehmann Blvd. in Unit 1.

There will be several matters of importance to residents discussed at the meeting. It therefore would be in the best interests of the association if everyone would come and take an active part in the doings.

Julie Chonis, Hills association secretary, reports that residents who have paid their dues should expect to receive their membership cards in the mail in the near future.

New car stickers will also be sent along, and residents are requested to place them on their windshields as soon as is convenient.

It will identify residents from others at the beaches and parks and help keep out outsiders.

Hysterical efforts to cure abnormal situations result only in more hysteria. Consistent, NORMAL, thoughtfully-planned newspaper advertising provides convincing evidence that the great economic structure of our nation will not come crashing down. Thus, advertising the fact that when average individuals follow their matter-of-fact, normal ways of living and buy the things they want and need — they weave together the loose threads of trade, which form the fabric of our normal prosperity! Normal thinking . . . normal living . . . and normal buying keeps our dollars busy — and "BUSY DOLLARS MEAN BUSY MEN"!

Sequoits Play Here Thursday

Away on Friday; Antioch Downs Lake Forest '5'

Two more important basketball games for the Fighting Sequoits will be played this week, with Grant high coming here Thursday evening and the Antioch crew traveling to Round Lake on Friday night.

Warren, second in the Northwest Suburban conference, is scheduled to meet Round Lake on Thursday and Grant on Friday. The Sequoits hold down first place in the standings with 10 wins and no defeats. Warren has lost one.

LAKE FOREST—One of the best—if not the top one—defensive games of the 1959-60 basketball season was put on by the Antioch-Lake Villa high school team last Friday evening in defeating Lake Forest 60-44.

The youths coached by Larry Leon held the Scouts to a single field goal in the first quarter and four in the second period. Antioch led at the first stanza pause 15-4 and at the half 36-15.

Only in the last quarter did the Lake Forest club outscore the Sequoits, slicing in 15 points to 8 for the Antioch club. The scoreboard read 52-29 in favor of the visitors at the three-quarter mark.

Don Pyles played his normal game, coming through in the clutch when points were needed. Jerry Dahlman, who had been averaging around 20 points per game was held to 13 by Lake Forest.

BUT PYLES helped the cause along by contributing 21, with Bob Martin chiming in on another 15, to pace the Sequoits.

It was the first time Dahlman had been held to less than 20 points in a conference game this season. The local guard tried but 17 shots in the game and made but four field goals, while he had been averaging 25-30 shots.

Dick Sheridan and Jim Hebert led the Scouts with 18 and 14 points respectively.

Lake Forest missed the services of Green, their high scoring ace who was out of action with an injury.

The Sequoits had somewhat the better of the argument statistically, making 21 out of 54 tries for field goals for a .426 percentage compared to 15 for 55 or a .273 for Lake Forest.

REBOUNDING HONORS went to the Antioch high crew when it pulled in 10 offensive and 26 defensive for a 36 total, as compared to 11 and 18 respectively for the Scouts and a 29 total.

Free throw honors did go to the home team when it made 14 out of 18 for a .778 percentage as compared to 14 out of 21 for Antioch and .667.

A large crowd was on hand from

Antioch, filling almost completely one side of the gym, new this year. For many fans it was the first time they had seen the new gymnasium.

After this coming weekend's conference games, only two league tilts will be on the agenda for Antioch—Warren and Grayslake.

LET'S CHEER! This is the scene of the pep assembly at Antioch-Lake Villa high school held last Friday afternoon before the Sequoits game with Lake Forest in which Antioch was the victor 60-44 in a Northwest Suburban conference game on the LF floor. Cheerleaders are shown urging the juniors and seniors seated on one side of the local gym to "out yell" the soph and frosh seated on the other side. This is the usual "stunt" before major athletic events for ATHS students with the winning class receiving some kind of an award for making the most noise. The victory for Antioch was its 10th against no losses in conference games. (Antioch News photo)

Basketball Notes

Lake Forest did not seem to have as much "desire" against the Sequoits in last Friday's game as it did last December when the two teams met on the local floor, coach Larry Leon commented this week.

He singled out Dick Wolf and Dick Gudgeon for playing a "really fine"

Panthers Lose To Whitewater In League Tilt

Tuesday evening the Wilnot high Panthers got back into the victory column with a 69-50 victory over Delavan-Darien in a Southern Lakes conference game on the Wilnot floor.

WILMOT, Wis.—Greg Bush and Glenn Rasch came in for some praise from their coach, Dale Schroeder of the Wilnot high Panthers for the game they played against Whitewater at Wilnot last Friday eve-

game for Antioch.

Leon said they have been kind of "in and out" in point scoring but have played good defense game together. And they have been improving with each game played.

The work of Bob Martin was also cited, especially his pickup in the scoring department (he made 15 against Lake Forest). Leon hopes the big local center will continue to score in the double figures.

Martin's point-making can help the Sequoits offense considerably. He was one who helped make up in scoring what deficit there might have been when Dahlman failed to score as high as he usually does.

Leon also had some good words to say about Martin's work on the boards. He gathered in 13 rebounds to lead the Sequoits.

It was probably the big boy's best conference game of the season.

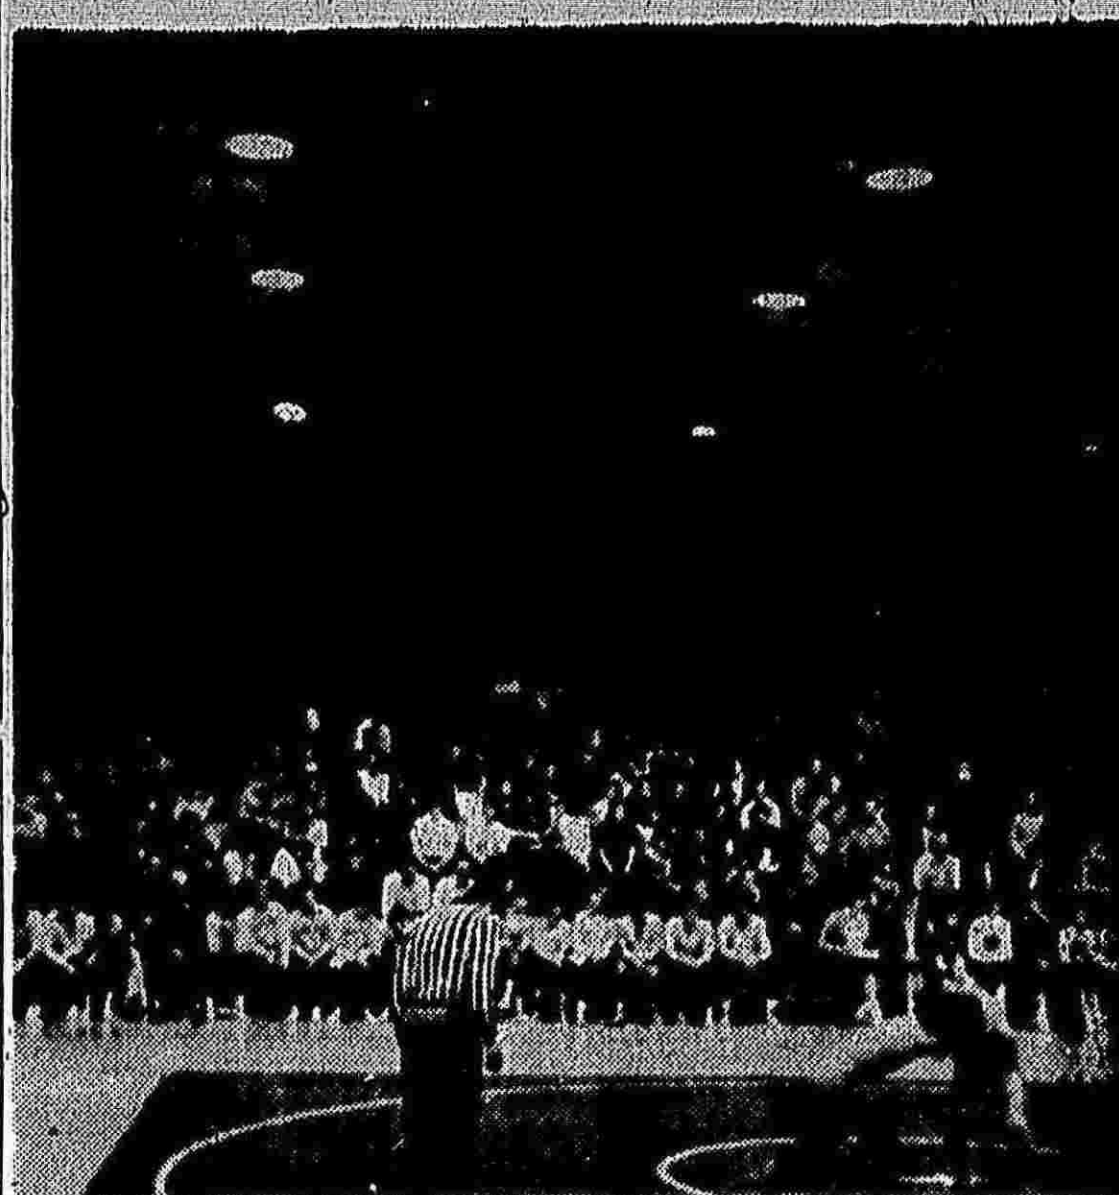

The Sequoits are not taking the coming game with Grant and Round Lake lightly, for both teams have shown good offensive work this season.

A victory for Antioch both nights coupled with a Warren loss either one or both could just about sew up the conference title for the Sequoits.

Grant has picked up considerably, Leon said, while Round Lake although playing "in and out" during the season could give lots of trouble. Antioch is not looking for easy games either night.

The Sequoits have performed well under pressure this season, keeping calm and playing each game as it came along with little thought of the one that would be following.

News of Lakes ports

WRESTLING TOURNAMENT at Grant high school is shown in this photograph taken during the Northwest Suburban conference tournament last weekend. The referee in the striped shirt is Pat Murphy of Lake Villa. This picture, taken early in the evening, shows some of the lighter amateur grapplers who performed before a near capacity crowd. Cheerleaders of the seven schools taking part helped cheer on their respective wrestlers and teams. All high schools in the conference except Antioch took part. (Antioch News photo)

Salem Tips Big Foot For 1st League Loss

PADDOCK LAKE, Wis.—Salem Central high school outscored their foes in the second and third quarters to edge Big Foot of Walworth 48-45 in a conference game on the Central floor Tuesday evening.

It was Big Foot's first league defeat of the 1959-60 season against 10 victories. Salem Central has won 10 and lost a pair.

This week Friday evening the Falcons travel to Clinton for a league game booked for 8 p.m. with the B squad boys tangling at 8:30.

Walworth's cagers led 16-14 when the first quarter ended, but the Falcons were on the long end of the count at the half 23-23 and it was 38-32 when the third period buzzer sounded.

Ron Yates with 20 points and Len Krawczyk who pushed in 14 led the Falcons scoring.

A couple of weeks ago at Walworth, the Big Foot Chiefs dumped Salem Central's cagers 51-42.

Scoring this week Tuesday for Central were Erickson with 8 points, Neu 3, Krawczyk 14, Gene Schultz 3 and R. Yates 20.

In the B squad contest, Big Foot came out on top 39-33.

PADDOCK LAKE, Wis.—Central high was an easy victor over last-place Palmyra in a conference contest at the Paddock Lake gymnasium last Friday evening by a score of 85-45.

It was strictly "no contest" all the way, as the Falcons built up a 22-8 lead at the first quarter pause, 37-23 at the half and 57-40 at the three quarter mark.

Salem Central tallied 28 of its points in the fourth quarter.

High scorer for Central last Friday night were Erickson with 14, R. Yates who dumped in 13 and Don Yates who contributed 10. Coach Grams used 17 players in the game,

with all but four making at least 2 points.

In the B squad game, Salem was the victor by a 32-28 tally.

Scouts Win Thriller

Antioch Scouts semi-pro basketball team is assured of at least a share of first place in the Land-O-Lakes league standings as the result of winning a thriller from Grayslake 79-71 last Sunday afternoon.

In other loop contests that day, Wauconda toppled Fox Lake 84-60 and Richmond took the measure of Round Lake 74-72.

One of the basic rules of safe winter driving is to get the feel of the road before proceeding too far. For instance, hard-packed snow increases stopping distances with conventional tires about two and one-half times.

Many thousands of Scout units will receive President Eisenhower streamers in 1960 for their achievements.

SHALL WE DANCE? This scene taken at the Antioch high vs. Ela-Vernon Northwest Suburban conference game shows plenty of action, both basketballwise and what might be termed some "fancy stepping". Dick Wolf (in white uniform with arms raised) has tried a shot while Don Pyles (40) of the Fighting Sequoits watches at left. The ball is dimly visible just inside the hoop. No. 21 for Ela-Vernon is Sebbly and the other youth in dark uniform is J. Hunsaker of Ela-Vernon. The Sequoits won the conference encounter 97-82 to keep its league record of going undefeated intact. GO-KART RACING was among the features of the Kenosha Conservation club's ice fishing derby at Silver Lake, Wis. recently which drew thousands of men, women, young people and children to the western Kenosha county community. This scene is on the lake's ice showing some of the people watching drivers scurry around the slippery surface in their miniature vehicles. This was just one of many events to keep spectators busy from early in the morning until mid-afternoon Sunday. A racing area was cleared of most of its snow so these little cars could race each other. (Lake Region News photo)
